# SKINCARE & PERSONAL HYGIENE

# SKIN CARE TO STAY HEALTHY!

## Product Type Features and Benefits

### Hand Soaps

Hand soaps are the tried and true solution to remove soils and germs from hands when water is readily available. Many options are available including: traditional, antibacterial, foam, scented and colored. Ideal for bathrooms, breakrooms and kitchens. **Find these on pages 157-164.**

### Instant Hand Sanitizers

Usually alcohol based, these products kill germs quickly without the need for water. Many options are available including bottles, dispensers, wipes, foams and gels. Using sanitizers to supplement routine hand washing helps reduce the risk of infections. Ideal in healthcare, foodservice, education and office facilities, as well as high traffic public areas. **Find these on pages 131-134.**

### Manual Dispensers

Manual dispensers are economical solutions ideal for high traffic areas. Best suited for rugged placements such as mechanic shops, industrial facilities and warehouses. **Find these on pages 123-128, 135-156.**

### Touch-Free Dispensers

Touch-free dispensers automatically provide the right amount of product as well as help prevent contamination from germs. Touch-free dispensers usually require batteries to operate. **Find these on pages 123-128, 135-156.**

### Sanitizing Wipes

Sanitizing wipes are perfect for cleanup of hands while killing germs that make people sick. Available in canisters and pre-wrapped individual packets for on-the-go sanitizing. Ideal for breakrooms, cafeterias and restaurants. **Find these on pages 129-130.**

### Heavy-Duty Hand Cleaners

Each product is specialized to remove specific soils such as adhesives, carbon black, epoxies, gasoline, tar, grease, dirt, oil, paint, sealants and urethanes. Choose the right product for the soil that needs to be removed and check the product description for information about its cleaning power. **Find these on pages 167-173.**

**A LTX-12™ Touch-Free Dispenser** High-capacity design is great for high traffic areas. GOJO® Smart Electronics enable reliable, consistent operation with a negligible current draw. Large window and skylight simplifies product monitoring. For use with: PURELL® 1,200-ml LTX-12™ Refill. Manufacturer's lifetime guarantee (dispenser).

## POWERFUL CLEANING

Heavy-duty hand cleaners are specialized to remove specific soils such as adhesives, carbon black, epoxies, gasoline, tar, grease, dirt, oil, paint, sealants and urethanes. Make sure to select the right product for the soil that needs to be removed.

**A Hand Cleaner Towels** Heavy-duty towels combine an advanced cleaning formula with a strong, dual-textured towel to thoroughly clean hands and surfaces ANYWHERE, ANYPLACE, ANYTIME!® The clean, citrus-scented formula loosens and dissolves industrial soils while leaving hands free from dryness and irritation. The Rough Touch® blue towel locks in soil to prevent it from transferring back onto hands and surfaces. Hands are left feeling clean with no sticky residue and no rinsing required.
